

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Anthony O Wilson v Genesee Circuit Judge**
Docket No. **281220**
L.C. No. **06-085162-CD**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The Court orders that the motion to waive fees is GRANTED for this case only. However, this Court is providing notice to Mr. Anthony Wilson that the Court has the inherent authority to deny a motion to waive fees for the habitual frivolous filer. This is not the first case filed by plaintiff that has been dismissed for jurisdictional reasons. Furthermore, in other cases filed by plaintiff the Court has had to expend a substantial amount of extra time with the plaintiff because of his failure to follow the instructions of the Court.

The complaint for superintending control is DISMISSED for lack of jurisdiction because an appeal was available from the orders entered in the case and in fact has been filed. See docket number 277274 and MCR 3.302(D)(2).
